

St. Nicholas Greek Orthodox Church
St. Louis, Missouri

CHERUBS

Spring 2019

The St. Nicholas Cherubs builds friendships between pre-schoolers *and* between parents of pre-schoolers in relaxed and fun settings — both in the church and in other settings in the St. Louis metro area. Come join us!

Upcoming Events

Saturday, March 23 - Open Play in the Gym — 10 to 11:30 a.m.

Kids will have the run of the Family Life Center gym — Building train tracks, castles with Duplo blocks, crafts and other activities. Parents will have coffee and bagels, compare notes and spend some pleasant time together. Very casual, very fun.

Coming soon: Regular open play on Tuesday mornings in the FLC Gym.

Sunday, May 5 — Missouri Botanical Garden Children's Garden

After church, we'll head down to the Botanical Garden and gather at the wonderful Children's Garden, a wonderful setting for kids to play and explore together. If it rains, no problem—we can move inside to the Exploration Center—also a lot of fun.
