

Dear St. Nicholas Parishioners:

Our **"2018 Annual Labor Day Greek Festival"** festivities are underway! We are in celebration of "The Next 100" – the future of St. Nicholas! Over the years we have had loved ones who have spent many hours in the St. Nicholas kitchen making our Festivals huge successes. "You" can do the same by joining us in making this the best Festival ever! This will be a great opportunity for you to serve your St. Nicholas Community by volunteering your services for a couple of hours or for one day. A delicious lunch will be served by our volunteers. We look forward to seeing you.

We are very interested in having the youth of our parish learn the skills of our parents and grandparents. If you need "service hours" for school or would like to do an "internship" in learning what takes place in the kitchen in preparation of our Annual Labor Day Greek Festival, please feel free to contact me with any questions haca1001@aol.com or 314.647.4636.

Thanks,
Chris Anastas
