# HOPE

(Kindergarten — 2nd Grade)

## Spring Break Koulouria-Making

Monday, March 18 — 10 a.m.

St. Nicholas Church

For kids on Spring Break, it's a great opportunity to learn how to make these traditional cookies by joining our baking ladies as they prepare our church for Easter. They'll get a lesson in twisting the dough and have the freedom to make their own creations, as well. The kids (and parents) can have lunch with the bakers, as well, making this a great cross-generational event.

We know that some kids are not on break this week, of course, and there's plenty more fun coming up from the St. Nicholas HOPE group.

Please contact Steph McPherron at [scdemos@sbcglobal.net](mailto:scdemos@sbcglobal.net) or 314-640-0989 for information about this event and to stay in touch for future events.
